**V** 解答例 〈解答例 1〉 I think a good teacher is someone who can understand the students' situation and teach them appropriately. Students have little experience, so they have few resources to make decisions when they face difficulties. If a teacher gives them sound advice, the students will be able to make appropriate

decisions in any situation. (50 語程度)

〈解答例 2〉 I think a good teacher is someone who treats everyone equally and does not favor anyone. If all their students feel that they are being looked after, they will be able to concentrate on lessons and work hard to improve their abilities. This will allow students to be well prepared for their future. (50 語程度)
